

## CONNECTICUT SCHOOL OCCUPATIONAL THERAPY COMMUNITY OF PRACTICE

This community of practice will bring together Connecticut school occupational therapy practitioners to focus on Best Practices in a Workload Approach. Through collective critical inquiry and reflection participants will intentionally learn, pool knowledge, and share resources to better school practice. Participants are encouraged to attend one session of each offering and are welcome to attend any or all events.

RESC Alliance events are free. ConnOTA events are free or reduced cost (kick off) for ConnOTA members.
