

PATHWAYS TO ACTION

SAME GOAL. DIFFERENT SOLUTIONS.

PROBLEM IDENTIFIED

An issue, barrier, gap, or opportunity has been brought forward (by you or others).

HERE'S OUR FIX:

POLICY & LEGISLATION

When laws, regulations, reimbursement, or scope of practice need to change.

EXAMPLES:

- Modernize the OT Practice Act
- Address insurance or reimbursement limitations
- Clarify or remove outdated regulations

HERE'S OUR FIX:

EDUCATION & TRAINING

When greater knowledge, resources, or skills can address the issue.

EXAMPLES:

- Provide education to supervisors, insurers, or other healthcare professionals
- Share evidence and best practices
- Develop tools and resources

HERE'S OUR FIX:

AWARENESS & COLLABORATION

When the issue needs more visibility, understanding, or input from multiple stakeholders.

EXAMPLES:

- Raise awareness about the value and impact of OT
- Address misconceptions
- Build partnerships and engage stakeholders

STRONGER PRACTICE. GREATER ACCESS. BETTER OUTCOMES.

ADVOCACY CREATES LASTING CHANGE FOR OTs, OTAs, AND THE PEOPLE WE SERVE.
